

Neurology Grand Rounds

Neurology Grand Rounds - Overview of ALS - 2/13/2025

February 13, 2025 12:00 PM

Live Activity

ProMedica Neuroscience Center, Education Rooms 2011 & 20012

Specialties

Neurology

Description

Each faculty is expected to suggest speakers from each of their specialties. The content is determined by the guest speaker and the faculty member assigned to that particular grand rounds. The topic varies in Neurology topics and covers research and updates in the field. There have also been outside CME programs (i.e. Johns Hopkins) that have contacted us directly with a list of their faculty that are interested in coming to give Grand Rounds lectures. However, the lectures are approved by the UT CME office.

Learning Objectives

- 1 Appreciate the epidemiology of MND
- 2 Develop an approach to the diagnosis of MND/ALS
- 3 Under the principles of ALS management

Accreditation

The University of Toledo is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The University of Toledo designates this activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)[™].
